

Take on the Grafton to Inverell Experience in 2017!

The Grafton to Inverell Cycle Classic is Australia's toughest one day cycling race and is an iconic event on the national cycling calendar. At 228km with 3382m of climbing, including the formidable 17km climb of the Gibraltar Range, it takes riders through the beautiful Clarence Valley and New England Highlands of northern NSW. It has been long regarded as one of the most prestigious races in the country and past winners and participants boasts many riders who have Olympic Games and Tour de France success.

In 2017, the opportunity exists for riders to be part of the action and take on the challenge of completing the course. The Challenge category of the Division 3 event is open to riders who believe they can complete the course within the cut-off time of 9hrs 30 mins.

The unique event experience will include:

- Fully supported racing conditions including closed roads and support vehicles
- Electronic timing
- Four supported 'Feed Stations' on course
- Mobile feeding from the Gibraltar Range to the Mount Mitchell Feed Station
- Free competitor shirt and feed bag
- Finisher's medallion
- Complimentary ticket to the event presentation dinner

Don't miss the chance to share the experience with Australia's leading riders!

Enter as an individual or register your four person team.

Get your entry in early as the Challenge field will be limited to 100 riders in 2017.
